

IF YOU THINK CHINA, THINK GO-TRANS.

Personally worldwide.

Guiding you through all logistics challenges.

Almost every company is doing business with China nowadays. However, operating in China has its own complexities. Knowledge of local regulations is important for your success and you can rely on Go-Trans to guide you through the logistics challenges.

Go-Trans is a wholly owned subsidiary of the Gondrand Group, was founded in 2001. It employs 80 employees in 9 offices. Its current service portfolio includes worldwide sea freight and airfreight services, logistics services and distribution in China as well as customs clearance and NVOCC activities. All Go-Trans offices in China are Wholly Foreign Owned Enterprises (WFOE's) and operate with an A-license.

Over the last 140 years, Gondrand has made a name as a global premium logistics provider, offering worldwide transport and logistics solutions. Our excellent reputation is based on reliability, trust and a far-reaching competence built on experience and expertise. As a client of the group, you can be sure of receiving personal attention and first-class services tailored to your specific needs.

Our service portfolio.

Airfreight

We will transport any type of goods, either as single or consolidated shipments, via all major airports to any continent. As a partner of leading airlines, we can always offer you the cargo capacity you need. Our offices in Hong Kong and Mainland China are connected to Gondrand's international air network with various carriers and agents.

Sea freight

We are present at all major Chinese ports. Our sea freight services give you flexibility and value for money. Experts coordinate every stage of the transport chain, moving goods via ports efficiently with optimized routings from door to door. Worldwide.

Customs

Organizing customs clearance or applying for licenses via our experienced customs specialists at ports and terminals guarantees that your goods are always on the move.

Distribution

Pick-up, delivery and distribution? We ensure timely and reliable trucking of your goods in this dynamic region. Our network and professionals throughout China organize the distribution of smaller shipments as well as full truckloads.

Project Forwarding

We take over parts of your project or assume the entire project handling – integrated solutions are just as feasible as turn-key handovers. Our dedicated teams not only realize the transport of individual oversized bulky goods but also implement entire industrial projects.

Logistics

To support the development of your supply chains, we are offering customized logistics solutions that meet your needs. Our experience in local Asian markets enables you to concentrate on your core business.

From Personally Worldwide to The Worldwide Logistics Network.

The Gondrand Group is an international forwarding and logistics provider for overland transport, sea freight, air freight and contract logistics.

Over the past 140 years, Gondrand has evolved from a traditional haulage company to a global player in the field of integrated logistics. Our good reputation is founded on dependability, in-depth counseling and solid expertise built up over decades in the business. Headquartered in Basel (Switzerland), the Gondrand Group stands at the center of a world-spanning network, with over 70 branches worldwide and a 1,000-plus headcount.

The practiced specialists working throughout the Group and its network hail from many different countries and cultural backgrounds. Day in, day out, their experience and commitment ensure that you, as our customer, receive the personal attention, tailored solutions and top-class services that are synonymous with the name Gondrand.

Long-standing agents and partners represent the Gondrand Group in over 80 countries where we do not maintain a permanent office.
