GONDRAND | ATEGE GmbH
GLOBAL TRANSPORT & LOGISTICS

**Wherever your goods are destined:
the fastest route is via Gondrand | ATEGE.**

We have been forwarding goods around the world for our clients since 1872. From the outset we focused on international business trends. Although much has also changed within our company over the years, one thing remains the same: our willingness to address the special needs of our clients and our ability to turn their needs into future-proof solutions and products. Our corporate values – individuality, personal commitment and responsibility – remain firmly established in our mission statement. Global thinking and an international approach are a matter of course for us. We look forward to the challenges you place before us.

Why we are the right choice.

Identifying tomorrow's needs today and developing the appropriate solutions – this is what is required of ATEGE as a full-service provider. To live up to this challenge we need not only a complete range of transport and logistics services but also professional employees who are highly motivated, state-of-the-art technology and optimized processes. Our actions centre around high customer satisfaction, continuous improvement to our service, development of our staff and the careful use of natural resources. Our competitive and easily accessible structure means we are close to our customers and their business.

Logistics is one of the core competencies of Gondrand | ATEGE. We control the processes from incoming goods through stock-picking and packaging to the dispatch of finished products.
